**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have had AT&T for years and they are getting worse by the second! I switched over to Sonic and I am so so pleased. They are always available, show up anytime you need them and are always a big relief for me. They have insight into the future and are willing to do what it takes to make their customers happy and ahead of the time. Please dont allow a bully company to dictate what should be allowed for one of the most amazing companies I have ever worked with. Help Sonic be all it can be for them which means a mightier, brighter more on top of things for us the consumer.

Please I beg of you to help them realize their potential.

Thank you,

Catherine Alexander
